Cat Theme Prepositions

Prepositional phrase teacher posters and game in both black and white and in color.

By Wise Owl Factory

The ideas for this printable are based on the book BLUCY by Julia Dweck. This printable was written with the permission of Julia Dweck. Blucy is a cat who does things similar to the cats in these prepositional phrases. The book isn’t necessary for use with these materials, but it would be very nice to have on hand. The materials would be more engaging if children could listen to the story before use.
