Page 3 Emergent writer drawing and writing page

Page 4 Intermediate writer drawing and writing page

Pages 5-7 Advanced writer drawing/writing or just writing pages

Page 8 Blank corresponding drawing page

Copy as many of each page as desired and place in writing center with books about children around the world going to class in different countries.

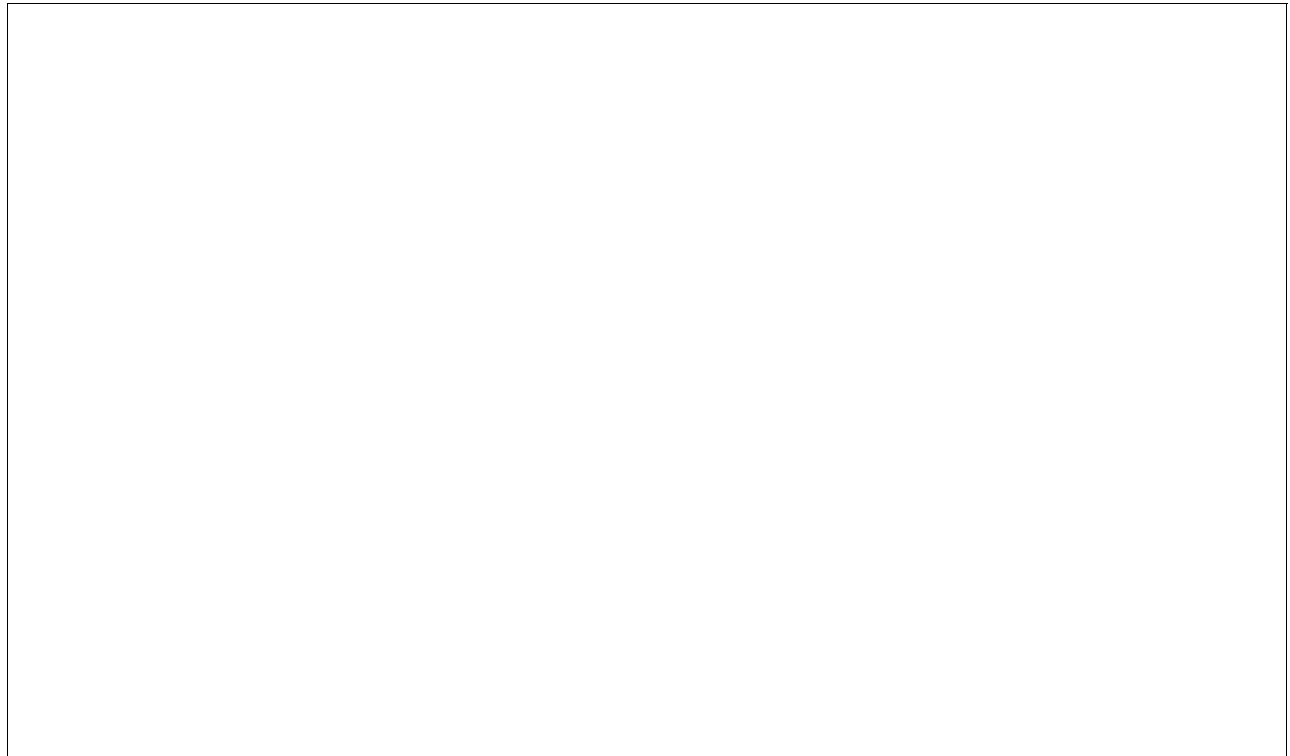

Staple pages together if needed for children who write more than one page, after they finish writing. Children who write more than one page should number their pages.

The blank drawing page could be used for individual writing piece covers and designed by the children. Some children may wish to use it for adding an additional picture.
